MAYURI CHOURASE

Mayurichourase2050@gmail.com | +91 7649864826 | LinkedIn

PROFESSIONAL SUMMARY

Results-oriented Computer Science graduate with hands-on experience in Python, SQL, AWS, and cloud technologies. Skilled in developing applications, integrating APIs, and implementing cloud-based solutions. Strong analytical thinker with a passion for continuous learning and delivering efficient software solutions.

SKILLS

- **Programming Languages:** Python
- **Web & Frameworks:** Django, HTML, CSS, JavaScript, Bootstrap, Tailwind CSS.
- **Databases:** SQL (MySQL), Amazon RDS.
- **Tools & Technologies:** Git, AWS (EC2, S3), Amazon Connect, REST APIs.
- **Software Skills:** SDLC, Testing, Debugging, API Integration.

ACADEMIC PROJECTS

EchoSphere – Virtual Voice Assistant

Tech Stack: Python, Speech Recognition & API Integration

- Developed a **Python-based** voice assistant to perform voice-controlled tasks such as opening applications and web searching.
- Integrated **Google Speech** API for speech-to-text with a fallback manual input option.
- Implemented **text-to-speech (TTS)** and basic **NLP** for seamless voice interaction.

IntelliQuest – Quiz Application

Tech Stack: Python, Django, Bootstrap, CKEditor & AWS S3

- Built a responsive online quiz platform with user authentication, score management, and an interactive interface.
- Integrated **Excel** import and **AWS S3** for efficient quiz and media management.
- Performed end-to-end development, testing, and deployment, ensuring a reliable and **user-friendly application**.

Code Crew – An Online Coding Platform (Major Project)

Tech Stack (Frontend): React.js, TailwindCSS, Node.js, MongoDB

- Developed a **responsive frontend** for a LeetCode-inspired coding platform using React.js and Tailwind CSS.
- Designed and implemented an admin dashboard with **CRUD** functionality for efficient coding problem management.
- Collaborated in building an intuitive, mobile-responsive interface to enhance usability and user experience.

EDUCATION

University Institute of Technology, Barkatullah University, Bhopal

Bachelor Of Technology in **Computer Science and Engineering** (2021 – 2025) CGPA: 8.33/10

Senior Secondary (12th)

Kendriya Vidyalaya Barkuhi, Chhindwara (2019 – 2020) 66.4%

High School (10th)

Kanhan Valley School Dungariya, Chhindwara (2018 – 2019) 68.2%

CERTIFICATION

- **Python**
  Showcasing skills in coding, data handling, and algorithm development.
- **AWS - Solutions Architecture Job Simulation**
  Gained hands-on experience in designing scalable and secure cloud-based solutions for business needs.
- **Front-End Software Engineering Job Simulation**
  Built responsive and user-friendly web interfaces using modern frameworks and best practices.

ACHIEVEMENTS

HackerRank SQL (Intermediate) Certified – Earned intermediate certification by solving SQL and database challenges.
